

Who We Are

The League of Women Voters is a nonpartisan political organization of women and men that encourages the informed and active participation of citizens in government and influences public policy through education and advocacy. Our aim is to ensure that citizens are informed about the issues and prepared to play their part in community building and government.

What We Do

Through voter registrations, candidate debates, issue forums, and community dialogues, the League of Women Voters of Maine helps Maine citizens to participate and to be well informed on current issues and problems.

We learn about the issues and speak out to advocate for solutions that build stronger communities in Maine. The voice of the League of Women Voters is heard from City Hall to the Statehouse in Augusta, to Capitol Hill.

What We Support

The League endorses issues, NOT candidates. By taking a firm non-partisan stance, we are able to tackle tough local, state, and national issues without taking political sides. By monitoring government functions, speaking out on the issues, and working with coalitions, the League of Women Voters translates political goals into reality.
