

We need the

For the People Act

H.R. 1/S. 1

TOGETHER, WE CAN MAKE A DIFFERENCE:

To create the kind of change voters want to see in our democracy, Congress must support the passage of S. 1 — the For the People Act — a once-in-a-generation democracy reform package to clean up our political system, get big money out of politics, hold elected officials accountable for corruption, expand and protect voting rights, and create a democracy that values the voices of all Americans.

Together, we can build the support we need to build a democracy that truly represents the American people.

Now is the time to contact Senator Angus King and Senator Susan Collins and ask them to support the For the People Act (S. 1).

We've made it easy. You can use our look-up form at [lwvme.org/S1](https://www.lwvme.org/S1) to find your Senator's contact information and send them a letter that we have already provided. It only takes a few minutes.
