

Membership and Senior Colleges

The LWVME Membership Committee is initiating a recruitment effort among Senior Colleges in Maine. We plan to set up membership invitational tables at various Senior College venues during the months of February and March. Stay tuned for updates on this exciting venture to bring in new people who are looking for a positive avenue for political action in Maine! For more information or to volunteer at a college near you, please email Susan at susanjo@bluestreakme.com with your ideas.
